Para 1(b) on pp 63-64 of Q.P. 86 Secret of 1933-33 (J)

The remuneration to outside examiners appointed for the Industrial Schools is Rs 100 per annum. It is now proposed to appoint the Inspector of Boilers, Bellary, as an outside examiner for the Govt. Industrial school at Bellary for a further period of 2 yrs from 1.3.38 and to pay him this remuneration.

Draft on p-1 ante

2. It is not clear whether the term outside examiner includes Govt. Servants. It seems that the practice was to appoint private gentlemen as outside examiners and to pay them the above remuneration. In recent years however, Govt. servants not connected with the Industrial School concerned were also appointed as outside examiners and they were also paid the remuneration of Rs 100 per annum (These covers were not seen in Finance). Subdt. that this dept need not however object to the proposal.
